**IN RE: EXTENDED JUDICIAL EMERGENCY CALENDAR FOR MAY**

**ORDER**

The Northern Judicial Circuit has extended its Judicial Emergency Order until May 31, 2020. Attached to this Order is the court calendar that now covers the entire month of May 2020 that will be utilized by the circuit. This calendar replaces the individual term calendars previously published by the three judges through May 31, 2020.

The Clerks are instructed to schedule any essential civil and/or criminal matter on the next available date for their particular county. A Duty Judge will preside over all matters scheduled on that date regardless of assignment unless there is particular cause to defer the issue to the assigned judge.

The judges and/or their staff will notify any parties with previously scheduled non-essential hearings that those matters will be continued to a later date. Arrangements for rescheduling those particular matters should be presented to the assigned judge.

SO ORDERED, this 27<sup>th</sup> day of April, 2020.
